DENTAL TREATMENT CONSENT

1. I authorize dental treatment including local anesthesia, examination, radiographs (x-rays) or diagnostic aids.
2. In general terms, dental treatment may include but is not limited to one or a number of the following:
 - Administration of local anesthesia
 - Cleaning of the teeth and application of topical fluoride
 - Scaling and root planning with local anesthesia
 - Application of sealants to the grooves of teeth
 - Treatment of disease or injured teeth with dental restorations. These restorations may either be amalgam (silver) or composite (white).
 - Stainless steel crowns for children. These are necessary in cases where a simple filling would not be the best long term restoration or in cases where there are large cavities.
 - The replacement of missing teeth with a dental prosthesis (crowns, partials, etc.)
 - Treatment disease or injured oral tissues (hard/or soft)
 - Treatment of malposed (crooked) teeth and/or development abnormalities.
 - Treatment of canal or pulp chamber that lies in the middle of the tooth and its root also knows as "endodontic" therapy or (root canal treatment)

Risks of Dental Procedures in General

Including (but not limited to) are complications resulting from the use of dental instruments, drugs, medicines, analgesics (pain killers), anesthetics and injections. These complications include pain, infection, swelling, bleeding, sensitivity, numbness and tingling sensations in the lip, tongue, chin, gums, cheeks and teeth, thrombophlebitis (inflammation of a vein), reactions to injections, change in occlusions (biting), muscle cramps and spasms, temporomandibular (jaw) joint difficulty, loosening of the teeth or restoration in the teeth, injury to other tissues, referred pain to the ear, neck, and head, nausea, allergic reactions, itching, bruising, delayed healing, sinus complications and further surgery.

Changes in Treatment Plan

I understand that during treatment, it may be necessary to change and/or all procedures because of Conditions found while working on the teeth that were not discovered during examination. Upon being informed I will give my permission to the dentist to make any/all changes and addition as necessary.

Fillings

I understand that I may experience hot and cold sensitivity, pain or discomfort following routine restorative procedures and that this is usually temporary and should settle without further treatment. If in the event that my condition does not get any better, I understand that I may need further dental treatment, the most common being root canal therapy, resulting in additional costs.

Crown (Caps) and Bridges

I understand that sometimes it is not possible to match the color of the natural teeth exactly with artificial teeth. I further understand that I may be wearing temporary crowns, which may come off easily and that I must be careful to ensure that they are kept in place until the permanent crowns are delivered. I realize the final opportunity to make changes in any new crown or bridge (including shape, fit, size and color) will be before cementation. One cemented, I understand that any changes in shape, fit, size, or color will incur an additional charge.

Alternative Treatment

I understand that I have the right to choose on the basis of adequate information, from alternate treatment plans that meet professional standards of care.

By signing below, I consent to the general dental treatments and/or proposed treatment.

Wilmington Family Dental Financial Policies

Thank you for choosing Wilmington Family Dental! In an effort to better serve you, we would like to take the time to explain the billing process at our office.

Payment is expected the day services are rendered. For patients with dental insurance, if you provide the office with your dental insurance information, we will contact your insurance company and verify your benefits. We will do our best to answer any questions you may have about your insurance coverage but always suggest that you contact them directly whenever possible.

As a courtesy to you, we will gladly submit the insurance claim to your insurance company on the day of service. We will collect the estimated copayment and deductible at each visit. We make every effort to determine your insurance benefits when you receive treatment, but consider your co-payment an **estimate** until we receive payment from your insurance company. Please remember that any information we provide relative to your insurance coverage is our best **estimate** and not a guarantee of the payment that will be received.

In order to provide quality dental care in a timely manner, we have a cancellation and no show policy. This policy enables us to better utilize available appointments for our patients in need of dental care.

CANCELLATION OF AN APPOINTMENT

In order to be respectful of other patient's needs, please be courteous and call our office promptly if you are unable to keep your appointment. This time will be given to someone who is in urgent need of treatment. We ask that you notify us 48 business hours in advance, in order to cancel or reschedule any appointments.

NO SHOW POLICY

A "no show" is an appointment that was not cancelled in advance (48 business hours). No shows inconvenience other patients who need dental care. A no show for a scheduled appointment will be charged \$80.00.

LATE ARRIVALS

If you are running late for your appointment, please call the office. If you are more than 15 minutes late to your scheduled appointment, you may be asked to reschedule.

I have read and understand the appointment policy at Wilmington Family Dental. I have also read and understand the billing procedures at Wilmington Family Dental.
